

# HW2 Prob2c MBVQ Nearest Vertex

## Decision Trees

Posted Jan 23, 2019 7:08 AM

Dear all,

The decision trees for HW2 Prob2c MBVQ nearest vertex determination is provided in `getNearestVertex.m` file. You can call this function directly if using MATLAB, or adapt it into C++ format if using C++. No need to copy it in your code txt file for submission.

Best,

Wei
